RE: Powell's Gravel Pit, Permit No. M-1995-012, Acreage Reduction (AR-1), Approval

Dear Mr. Powell:

On September 6, 2019 the Colorado Division of Reclamation, Mining, and Safety (Division) received your Acreage Reduction Request (AR-1). The site was inspected on July 17, 2019 and staff felt the 6.22 acres of reclaimed and undisturbed land complied with the requirements of the Act, Rules and Regulations, and the approved Reclamation Plan.

On October 21, 2019, Division **approved** your acreage reduction request for release of a portion of the permit area from further reclamation responsibility.

The permit was reduced from 9.90 acres to 3.68 acres.

Please note that because the permit is not totally released, you are still liable for filing annual reports and fees and maintaining the financial warranty in good standing.

If you require additional information, or have questions or concerns, please feel free to contact me. Amy Yeldell at the Division of Reclamation, Mining and Safety, 1313 Sherman St., Room 215, Denver, CO 80203. Direct contact can be made by phone at 303-866-3567 Ext 8183 or via email at amy.yeldell@state.co.us
