Hello Elliott,

I just received a phone call from David Harvey of permit number M-2019-038 in Hartsel. He wanted to come in to the office so I could give him some proof that I have seen his application. I am leaving at noon for vacation so he asked me to email you as proof. He had initially sent the application to the wrong office but I did receive it last month from them and you and I did have a brief discussion about the proper seed mixture. I am writing to tell you that the Teller-Park Conservation has received the application and has fulfilled his reporting requirements as far as I know. I will not be in the office until Tuesday, October 28th.

Thank You,

Marisa Neuzil
