**Re: Chris Aageson Pit #2 Addition, Permit No. M-2019-049
Adequacy Review #1**

Dear: Mr. Frick:

On September 17, 2019, the Division of Reclamation, Mining and Safety received your 110 Construction Materials Reclamation Permit Application package for the Chris Aageson Pit #2 Addition, permit M-2019-049. A review of the permit application determined that the following items must be addressed and/or received before the Division can approve the application:

APPLICATION FEE: Adequate as submitted.

APPLICATION FORM: Adequate as submitted.

EXHIBIT A - Legal Description (Rule 6.3.1(1)): Adequate as submitted.

EXHIBIT A - Location Map (Rule 6.3.1(2)): Adequate as submitted.

EXHIBIT B - Site Description (Rule 6.3.2(a)): Adequate as submitted.

EXHIBIT B - Site Description (Rule 6.3.2(b)): Permanent man made structure that are within 200 of the permit boundary need to be identified. The fences on the south and east side of the permit boundary and the power lines on the south side are both considered permanent structures and need to be documented in Exhibit B.

EXHIBIT B - Site Description (Rule 6.3.2(c)): A description of the water resources in the area of the permit boundary need to be listed. Identify any streams, springs, lakes, stock water ponds, ditches, reservoirs, and aquifers that would receive drainage directly from the

affected area. Provide any information available from publications or monitoring data on flow rates, water table elevations and water quality conditions.

EXHIBIT C - Mining Plan (Rule 6.3.3): This permit is a reclamation only permit and no mining will take place. Please remove all details related to the mining plan from this section and add text stating that this permit is a reclamation only permit and no extraction of materials or mining will take place.

EXHIBIT D - Reclamation Plan (Rule 6.3.4): Item 3 in this section states “Approximately 12 inches.” Please clarify what the 12 inches are referring to.

EXHIBIT E - Map (Rule 6.3.5(2)(b)): The surface owners of the affected land within 200 feet of the permit boundary need to be listed on the Exhibit E Map.

EXHIBIT F - List of Other Permits and Licenses Required (Rule 6.3.6): Adequate as submitted.

EXHIBIT G - Source of Legal Right-to-Enter (Rule 6.3.7): A June 8, 2000 letter from Peggy Williams was submitted with the application granting Washington County permission to mine the gravel. The Division contacted Washington County Assessor to verify the information and found that Peggy Williams no longer owns the property. Please submit an updated legal right to entry from the owner of record.

EXHIBIT H - Municipalities Within a Two-Mile Radius (Rule 6.3.8): Adequate as submitted.

EXHIBIT I - Proof of Filing with County Clerk (Rule 6.3.9): Adequate as submitted.

EXHIBIT J - Proof of Mailing Notices of Permit Application (Rule 6.3.10): All required proof of mailing notices must be submitted before permit application can be approved.

EXHIBIT L - Permanent Man-Made Structures (Rule 6.3.12): Structure agreements are needed for the fence and the power lines and any other man-made structure within 200 feet of the permit boundary.

ADDENDUM 1 - Notice Requirements - Affidavit of Posting Notice (Sign) (Rule 1.6.2(1)(b)): Adequate as submitted.

Please note that the decision date for this application is November 9, 2019. If you are unable to provide satisfactory responses to any inadequacies prior to this date, it will be your responsibility to request an extension of time to allow for continued review of this application.

If you have any questions, please contact me at (303) 866-3567 ext. 8142 or brock.bowles@state.co.us.

Sincerely,

Brock Bowles
Environmental Protection Specialist
