**Re: Nahcolite Project, Permit No. M-1983-194, Financial Warranty Reduction Approval,  
Revision No. SR-04**

Dear Mr. Daehling:

On November 19, 2019 the Division of Reclamation, Mining and Safety approved your request for a Financial Warranty Reduction to \$3,671,965.00. This is a reduction of \$3,849,600.00. This decision reduces the amount of the financial warranty, and does not approve any release of reclamation responsibility for the tasks associated with this request.

Please provide a rider to the current Financial Warranty, or submit a new Financial Warranty reflecting this reduction. If you wish to submit a different type of Financial Warranty, please contact our office for the applicable form.

If you have any questions, please contact me.

Sincerely,

Travis Marshall  
Senior Environmental Protection Specialist
