RE: Annual Report M-1978-071

To Whom It May Concern:

The following annual report for M-1978-071, Del Norte Pit, includes no new disturbances for the year. The footprint did not change from last year. Activities this past year included screening and consolidation of material piles inside the pit as well as general housekeeping of the area. We continue to have this pit inspected and sprayed for noxious weeds by the local weed district.

Please contact me if there are any questions.
