**Re: Routt County Road & Bridge, Funk & Hooker Pit, File No. M-1979-058,
Acreage Reduction Approval, Revision No. AR-01**

Mr. Mordi,

On December 3, 2019, the Colorado Division of Reclamation, Mining and Safety (Division/DRMS) approved your request for release of a portion of the permit area from further reclamation responsibility.

The permit area was reduced to 33.1 acres, through the release of 14.5 acres in this permit action. Routt County Road & Bridge remains liable for filing annual reports and fees since the permit is not fully release by the Division.

If you have any questions, please contact me at peter.hays@state.co.us or (303) 866-3567 Ext. 8124.

Sincerely,

Peter S. Hays
Environmental Protection Specialist
