SL-10 Extension

To Binns - DNR, Janet

Cc Kipp, Danny

Good day Janet –

Coors Energy Company (CEC) requests at extension for SL-10 in regards to the Keenesburg Mine. This request is needed to allow enough time for DRMS to complete their work efforts and communicate results back to CEC.

In acknowledgement of the timing and other business activities, CEC requests the deadline be extended to January 31, 2020.

Regards –
Ben
