**RE: Keenesburg No. 2 Mine (Permit No. M-2019-058)
Incompleteness letter**

Dear McCarthy:

On November 27, 2019, the Division of Reclamation, Mining and Safety received your 112 Construction Materials Reclamation Permit Application package for the Keenesburg No. 2 Mine, File No. M-2019-058. Preliminary review of the information received determined that the following items must be received before the Division can consider your application as being submitted and technical review can begin:

APPLICATION FORM:

1. Item 8 – the type of mining operation was not selected
2. Item 9 – the principal meridian was not selected
3. Item 12 – the primary future land use was not selected
4. Item 13 – the primary present land use was not selected
5. Page 6 – Item 10 was initialed, but a power of attorney was not included authorizing a joint venture/partnership as a representative.

Your application will not be considered submitted until the information listed above is received and found sufficient to begin our review. A decision date will be established 90 days from the date of receipt of all of the requested information. Additionally, if you have already published notice you will need to republish notice, after the Division considers the application submitted. This notice must be published once a week for four (4) consecutive weeks, starting within ten (10) days of the date your application is considered submitted. We will notify you when you should initiate republication of your notice. The final date for receiving comments is the 20th day after the fourth publication or the next regular business day.

You have sixty (60) days from the above date to submit all necessary documents that the Office needs for an application to be considered filed. If, at the end of the sixty day period, the application has not been determined to be filed with the Office, the Office shall deny the application and terminate the application file.

This letter shall not be construed to mean that there are no other technical deficiencies in your application. The Division will review your application to determine whether it is adequate to meet the requirements of the Act after submittal of all required items.

If you have any questions, please contact me at (303) 866-3567 ext. 8142 or brock.bowles@state.co.us.

Sincerely,
