RE: M-2016-054, Irwin/Thomas Mine Corrective Action

Dear Ms. Echberger:

This letter is in response to your November 25, 2019, inspection report for the Irwin/Thomas Mine, M-2016-054. In the report you noted that the mine identification sign was not posted at the entrance of the mine site and is something that needed to be addressed no later than December 25, 2019.

On December 22, 2019, I posted the mine sign at the entrance. Attached please find photographic evidence of the posted sign.

Please do not hesitate to contact me if you require additional information or have any questions.

Best regards,
