Re: Notice of Formal Board Hearing, Pre-hearing Conference, and Recommendation Date for a 112c Amendment Application, Continental Materials Corporation, Pikeview Quarry, File No. M-1977-211, AM-04

Dear Party and/or Interested Person:

The Division of Reclamation, Mining and Safety (Division) appreciates you taking time to participate in the review process of the above referenced permit amendment application. The amendment application for the Pikeview Quarry was submitted to the Division on August 27, 2019, by Continental Materials Corporation (Applicant). The application was considered filed for review on September 20, 2019. The public comment period for the amendment application closed on November 8, 2019.

The review period for the application will close on January 21, 2020. An explanation of the Division's review process, your rights and responsibilities as either a party or a non-party, and the jurisdiction of the Mined Land Reclamation Board (Board), is provided in a 12-page memorandum, "Guide to Citizen Participation in the 112 Reclamation Permit Application Process for Construction Materials and Hard Rock/Metal Mining Operation", dated October 2, 2001, revised January 12, 2006. This memo is enclosed. As noted in the citizen's guide memo, in these proceedings the Division's authority is limited to enforcement of the Colorado Land Reclamation Act for the Extraction of Construction Materials, 34-32.5-101 et seq., C.R.S. (Act) and the Mineral Rules and Regulation of the Colorado Mined Land Reclamation Board for the Extraction of Construction Materials (Rules). The citizen's guide memo, the Act and the Rules can be accessed through the Division's website, <http://mining.state.co.us>

The Division has received written objections to the application. Therefore, pursuant to Rule 1.4.9(2)(a) and 1.7.4(2), the Division has scheduled the application for a Formal Board Hearing for consideration. The hearing has been scheduled for the February 19 and 20, 2020 Board meeting, which will occur at 1313 Sherman Street, Room 318, Denver, Colorado, beginning at 9:00 a.m. or as soon thereafter as the matter can be considered. During the hearing the Board will consider the application with objections and may decide to approve, approve with conditions, or deny the application for the Pikeview Quarry Amendment.

Pursuant to Rule 2.7, the Division has scheduled a Pre-hearing Conference to occur on Thursday February 6, 2020 beginning at 10:00am and will end no later than noon. The Pre-hearing Conference will be held to describe the Division's review process, to explain the rights and responsibilities of parties, to discuss and resolve issues to the extent possible, to describe the Board Hearing processes, to propose a list of issues under the Board's jurisdiction, to simplify that list, and to identify parties. The Pre-hearing Conference will occur at 1313 Sherman Street, Room 215, Denver, Colorado.

Pursuant to Rule 1.4.9, on or before January 21, 2020, the Division shall issue its recommendation to the Board for approval, approval with conditions, or denial of the application. A copy of the Division's recommendation will be forwarded to all parties and interested persons.

Pursuant to Rule 2.7.3(4), any party who does not attend the Pre-hearing Conference forfeits its party status and all associated rights and privileges, unless such party provides a fully executed proxy authorization form to the Pre-hearing Conference Officer and the party's authorized representative is present. An official proxy authorization form was provided with the citizen's guide memo. Additional copies of the official proxy authorization form may be procured through the Division's website. The Board has appointed Jason Musick to preside as the Pre-hearing Conference Officer.
