Re: Roberts Quarry, Acreage Reduction Approval, Permit No. M-1977-301, Revision No. AR-01

Dear Mr. Beck:

On January 3, 2019, the Colorado Division of Reclamation, Mining and Safety approved your request for release of an 80-acre portion of the permit area from further reclamation responsibility. This land approved for release is defined as the SW $\frac{1}{4}$ SE $\frac{1}{4}$, SE $\frac{1}{4}$ SE $\frac{1}{4}$, Section 27: T10N R70W; Larimer County, CO.

The permit area was reduced to 280 acres, through the release of 80.00 acres in this permit action. Because the permit is not totally released, you are still liable for filing annual reports and fees.

If you have any questions, please contact me.

Sincerely,

Jared L. Ebert
Senior Environmental Protection Specialist
