Leigh,

Thank you again for your patience as we all adjust to this process. Attached is the proof of publication as per your request, we are also mailing it out tomorrow.

I will find out more about this process soon and get back to you with details. Let me know if you need anything else in the meantime.

Thanks,

Carrie Esparza

NOTICE OF PROPOSED DECISION

The Colorado Division of Reclamation, Mining and Safety proposes to approve Permit Revision Application No. 1, submitted by Oxbow Mining, LLC for a coal mining permit at the Terror Creek Loadout (Permit No. C-1983-059). PR-1 proposes to change the post-mining land use of the Terror Creek Loadout from irrigated hay cropland to industrial/commercial (initially as an RV/boat storage facility). The proposed changes include a change to the post-mining topography.

The Terror Creek Loadout is a/an loadout operation located in Delta County, approximately 4 miles Northeast of Paonia, Colorado. Coal interest is private, and the surface to be affected is private land. The permit area encompasses approximately 20.00 acres.

This proposed decision is based on a finding that the proposed operation will comply with all requirements of the Colorado Surface Coal Mining Reclamation Act, Section 3433101, et seq., C.R.S., and the regulations promulgated thereunder.

Copies of the proposed decision, including any stipulations, are on file for public inspection at the Colorado Division of Reclamation, Mining and Safety, Room 215, Centennial Building, 1313 Sherman Street, Denver, Colorado 80203. Persons with an interest that may be adversely affected by the proposed decision may request a formal hearing before the Mined Land Reclamation Board on the proposed decision. Such request must be made within thirty (30) days of the initial publication of this notice, must be in

writing, and must state with reasonable specificity the reasons for the request and the objections to the proposed decision.
