RE: Claussen Mesa Pit, File No. M-2019-048, Receipt of Incomplete Construction Material Regular (111) Operation Reclamation Permit Package

Dear Ms. Blowers:

On January 2, 2020, the Division of Reclamation, Mining and Safety received the Construction Material Regular (111) Operation Reclamation Permit Application package for the Claussen Mesa Pit, File No. M-2019-048. A preliminary review of the information received determined that the following items must be received before the Division can consider the application submitted and technical review can begin:

Rule 6.2.1 General Requirements

An application fee of \$898.00 was not submitted with the application package. Please send a check in the amount of \$898.00 to the Division's Denver address

Your application will not be considered submitted until the information listed above is received and found sufficient to begin our review. A decision date will be established 90 days from the date of receipt of all of the requested information. Additionally, if you have already published notice you will need to republish notice, after the Division considers the application submitted. This notice must be published once a week for four (4) consecutive weeks, starting within ten (10) days of the date your application is considered submitted. We will notify you when you should initiate republication of your notice. The final date for receiving comments is the 20th day after the fourth publication or the next regular business day.

You have sixty (60) days from the above date to submit all necessary documents that the Office needs for an application to be considered filed. If, at the end of the sixty day period, the application has not been determined to be filed with the Office, the Office shall deny the application and terminate the application file.

This letter shall not be construed to mean that there are no other technical deficiencies in your application. The Division will review your application to determine whether it is adequate to meet the requirements of the Act after submittal of all required items.

If you need additional information please contact me at the Division of Reclamation, Mining and Safety, 101 S. 3rd Street, Suite 301, Grand Junction, CO 81501, by telephone 303.866.3567 ext 8180 or by email at stephanie.mitchell@state.co.us.

Sincerely,

A handwritten signature in blue ink, appearing to read "Stephanie Mitchell". The signature is fluid and cursive, with the first name "Stephanie" written in a larger, more prominent script than the last name "Mitchell".
