Re: Rocky Ford East, Permit # M 1977-560, Approval of Technical Revision No. 3 (TR-3)

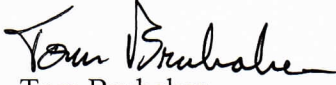

Dear Ms. Eschberger:

Our completion date for the Habitat Construction contract now appears to be around March 30, 2020.

Valco asks that the requirement for additional bonding be extended until March 30, 2020 to allow for completion of the Habitat contract. At that time a review of the remaining reclamation cost could be made.

Please contact me with any questions.

Sincerely,  
Valco, Inc.
