Permit No. M-2011-029, MV-2019-034**

Mr. Golden:

On January 9, 2020 the Division of Reclamation, Mining and Safety (Division) received your correspondence requesting an extension of the corrective action deadlines for MV-2019-034 for Permit M-2011-029. The reason for this request is to allow time for the court process for seizure of Jubilee Ventures Inc. stock from Ferris Haggerty Mining Corporation. Once this process is complete you stated that you have full intention of resolving all outstanding corrective actions and compliance issues.

Based on your commitment to resolve all compliance issue associated with Permit No. M-2011-029 the Division will grant a 90 day extension of the due date for MV-2019-034. The due date for all outstanding issues is April 16, 2020. Failure to resolve all outstanding issues will initiate the enforcement process for forfeiture of the currently held financial warranty in the amount of \$56,620.00.

If you have any questions please contact me at (303) 866-3567 extension 8186, otherwise we look forward to working with you through the process of bringing the permit back into compliance.

Sincerely,

Travis Marshall
