**Re: Lord Reservoir, File No. M-2019-056**  
**Receipt of 111(1)(b) Construction Reclamation Permit Application**

Dear Mr. Cook:

On January 22, 2020, the Division of Reclamation, Mining and Safety received your 111(1)(b) Construction Reclamation Permit application for the Lord Reservoir, which is located in Weld County. All comment and review periods began on January 22, 2020. The decision date for your application is scheduled for February 6, 2020.

The Division is reviewing your application to determine whether it is adequate to meet the requirements of the Act. We will contact you if additional information is needed. Any changes or additions to the application on file in our office must also be reflected in the public review copy which has been placed with the Weld County Clerk and Recorder.

Please be reminded that all operators must contact the Colorado Department of Health, Water Quality Control Division regarding storm water permits.

If you have any questions, please contact me.

Sincerely,

Peter S. Hays  
Environmental Protection Specialist

RE: Lord Reservoir, File No. M-2019-056

---

Please be advised that on January 22, 2020, H-2 Enterprises, LLC, whose address and telephone number are 4626 Weld County Road 65, Keenesburg, CO 80643; (720) 388-0155, filed an application to conduct a(n) Surface mining and reclamation operation, at or near Section 4, Township 1N, Range 63W, 06th Principle Meridian, in Weld County. Please be advised that the permit area may be located in more than one Section, Township, and Range. Affected lands will be reclaimed to support a Cropland post-mining land use. The application decision date is scheduled for February 6, 2020.

A copy of the application is available for review at the Weld County Clerk & Recorder's office and at the office of the Division of Reclamation, Mining and Safety.

The application, as well as all other permit documents, can be found at <http://drmsweblink.state.co.us/> by searching M2019056 in the "Permit No" field. A user guide is available to help first time users of the imaged document system and can be viewed at <http://mining.state.co.us/SiteCollectionDocuments/Laserfische%20User%20Guide.pdf>.

To be considered in the review process, comments or objections on the application must be submitted in writing. The Office will assume you have no comment or objection to the proposed activity if none are received by the end of the public comment period.

If you need additional information or have any questions regarding the above-named application, please contact Peter S. Hays at the Division of Reclamation, Mining and Safety, 1313 Sherman Street, Room 215, Denver, CO 80203, by telephone at 303-866-3567 x 8124, or by email at [Peter.hays@state.co.us](mailto:Peter.hays@state.co.us).
