***RE: Gold Links Mine, Permit # M-1987-143, Technical Revision (TR-03) Adequacy Review***

Mr. Wilkinson:

The Division of Reclamation, Mining and Safety (Division) received your request for Technical Revision (TR-03) on January 14, 2020. TR-03 proposes construction of a new portal to be located approximately 150 feet north of the existing portal. During review of the material submitted, the Division identified the following item(s) to be addressed before the Division can consider approval of TR-03:

1. Please provide the proposed dimensions for the new portal.

If you require additional information, or have questions or concerns, please contact me.

Sincerely,

***Dustin Czapla***
