Hello Ben and Danny,

My workload has me buried, and I am still reviewing the Keenesburg SL10 application. At this point I don't have any concerns, but have not been able to complete the findings and cost estimate for the bond release application. Would you be willing to extend the decision date until the end of February?

Thank you for your understanding.

Good day Janet –

An extension is fine. Do I need to formally request one, or does this email suffice? End of February 2020 is fine for SL10 review.

Ben
