**Re: Notice of Extension of Decision Date, Rescheduled Pre-hearing Conference, and Rescheduled Formal Board Hearing, and Recommendation Date for Amendment No. 4 (AM-04) Application for the Pikeview Quarry, File No. M-1977-211**

Dear Party and/or Interested Person:

In a previous notice from the Division of Reclamation, Mining and Safety (Division), dated January 3, 2020, you were informed of the amendment application for the Pikeview Quarry was filed with the Division on September 20, 2019 by Continental Materials Corporation (Applicant). In that correspondence, you were informed of the dates of the Pre-hearing Conference, the Formal Board Hearing, and the close of the review period whereby the Division will render its recommendation on the application. Please be advised that the applicant has requested an extension of the Division's review period in accordance with Rule 1.4.1(9). This gives Division staff a new deadline of March 6, 2020 to make a recommendation on the application. Please also be advised that the dates of the Formal Board Hearing and Pre-hearing Conference have changed, as clarified below.

An explanation of the Division's review process, your rights and responsibilities as either a party or a non-party, and the jurisdiction of the Mined Land Reclamation Board (Board), was provided with the January 3, 2020 notice.

The Division has received written objections to the application. Therefore, pursuant to Rule 1.4.9(2)(a) and 1.7.4(2), the Division has scheduled the application for a Formal Board Hearing for consideration. The hearing has been rescheduled for the March 25 and 26, 2020 Board meeting, which will occur at 1313 Sherman Street, Room 318, Denver, Colorado, beginning at 9:00 a.m. or as soon thereafter as the matter can be considered. During the hearing the Board will consider the application with objections and may decide to approve, approve with conditions, or deny the application for the Pikeview Quarry Amendment.

Pursuant to Rule 2.7, the Division has scheduled a Pre-hearing Conference to occur on Thursday March 12, 2020 beginning at 10:00am and will end no later than noon. The Pre-hearing Conference will be held to describe the Division's review process, to explain the rights and responsibilities of parties, to discuss and resolve issues to the extent possible, to describe the Board Hearing processes, to propose a list of issues under the Board's jurisdiction, to simplify that list, and to identify parties. The Pre-hearing Conference will occur at 1313 Sherman Street, Room 215, Denver, Colorado.

Pursuant to Rule 1.4.9, on or before March 6, 2020, the Division shall issue its recommendation to the Board for approval, approval with conditions, or denial of the application. A copy of the Division's recommendation will be forwarded to all parties and interested persons.

Pursuant to Rule 2.7.3(4), any party who does not attend the Pre-hearing Conference forfeits its party status and all associated rights and privileges, unless such party provides a fully executed proxy authorization form to the Pre-hearing Conference Officer and the party's authorized representative is present. An official proxy authorization form was provided with the citizen's guide memo. Additional copies of the official proxy authorization form may be procured through the Division's website. The Board has appointed Jason Musick to preside as the Pre-hearing Conference Officer.
