Re: File No. M-2019-049, Chris Aageson Pit #2 Addition, 110c Decision Letter - Performance Warranty Request - for Construction Material Operations that do not Require a Financial Warranty

Dear Mr. Lockard:

On January 17, 2020, the Division of Reclamation, Mining and Safety approved your 110c permit application.

No financial warranty was set by the Division for this operation. However, you must submit a performance warranty in order for us to issue a permit. We have enclosed a performance warranty form with this letter for your use. Please have the performance warranty signed by an appropriate official and notarized, and return it to us.

PLEASE NOTE THAT MINING OPERATIONS MAY NOT COMMENCE UNTIL A PERMIT HAS BEEN ISSUED BY THE DIVISION AFTER RECEIPT OF YOUR PERFORMANCE WARRANTY. A PERMIT CANNOT BE ISSUED UNTIL WE HAVE VERIFIED THE ADEQUACY OF YOUR PERFORMANCE WARRANTY.

If you have any questions, please contact me.

Sincerely,

Brock F. Bowles
Environmental Protection Specialist

Enclosure: Performance warranty

M-AP-16
