**Re: File No. M-2019-049, Chris Aageson Pit #2 Addition, 110c Decision Letter - Performance Warranty Request - for Construction Material Operations that do not Require a Financial Warranty**

Dear Mr. Lockard:

On January 17, 2020, the Division of Reclamation, Mining and Safety approved your 110c permit application.

No financial warranty was set by the Division for this operation. However, you must submit a performance warranty in order for us to issue a permit. We have enclosed a performance warranty form with this letter for your use. Please have the performance warranty signed by an appropriate official and notarized, and return it to us.

**PLEASE NOTE THAT MINING OPERATIONS MAY NOT COMMENCE UNTIL A PERMIT HAS BEEN ISSUED BY THE DIVISION AFTER RECEIPT OF YOUR PERFORMANCE WARRANTY. A PERMIT CANNOT BE ISSUED UNTIL WE HAVE VERIFIED THE ADEQUACY OF YOUR PERFORMANCE WARRANTY.**

If you have any questions, please contact me.

Sincerely,

Brock F. Bowles  
Environmental Protection Specialist

Enclosure: Performance warranty
