Re: Ragsdale Reservoirs, File No. M-2020-007
Receipt of 112c Construction Materials Reclamation Permit Application

Dear Mr. Noteboom:

On February 18, 2020, the Division of Reclamation, Mining and Safety received your 112c Construction Materials Reclamation Permit application for the Ragsdale Reservoirs, which is located in Weld County. All comment and review periods began on February 18, 2020. The decision date for your application is scheduled for May 18, 2020.

Newspaper publication of a notice (published once a week for four consecutive weeks) regarding the filing of your application and transmittal of a copy of the notice to all owners of record of surface and mineral rights, holders of any recorded easements, and all owners of record of lands that are within 200 feet of the boundary of the affected land is required within 10 days of submittal. You must submit proof of the notice and mailings, such as Certified Mail Return Receipt Requested, to the Division prior to the decision date.

The Division is reviewing your application to determine whether it is adequate to meet the requirements of the Act. We will contact you if additional information is needed. Any changes or additions to the application on file in our office must also be reflected in the public review copy which has been placed with the Weld County Clerk and Recorder.

Please be reminded that all operators must contact the Colorado Department of Health, Water Quality Control Division regarding storm water permits.

If you have any questions, please contact me.

Sincerely,

Scottie Tate
Program Assistant for
