Hey Elliott,

I have a couple small comments to the Downing application.

1. The FS does not want the operator to fertilize trees or revegetation.
2. The 200 foot ATV access route would require a Plan and Bond by the FS. I spoke with Mrs. Downing about this but have not received an application.
3. "Predator Road Access" is FSR (Forest Service Road) 895
4. "ATV trail" is FST (FS Trail) 737 and is limited to vehicles 50" or less

Thanks,

Amy
