Re: Bowie Resources, LLC, Bowie No. 2 Mine  
2018 Annual Hydrologic  
Adequacy response #2  
Permit C-1996-083

Dear Mr. Zuber:

On behalf of Bowie Resources, LLC, (BRL), enclosed is the second response to the 2018 Annual Hydrologic Report.

1. **DRMS:** It is unclear where the PAP states that drill holes 15, 25 and 38 were suspended. Please elaborate.

**BRL:** Drill holes 15, 25 and 38 were permanently suspended as discussed on page 2.05-124. All three can no longer be monitored as they have damaged well casings

2. **DRMS:** Adjustments to BRLs monitoring activities, as necessary, should be done prior to the third quarter 2020

**BRL:** Comment noted.

Please let me know if you have any additional questions.

Sincerely,

*Tamme Bishop*

Tamme Bishop, P.E.  
Project Engineer
