**Re: Extension Request Approval, Problems Cited in the Inspection Report Dated January 17, 2020, Two Rivers, Permit No. M-1998-038**

Dear Mr. Kirkland:

On March 3, 2020, the Division of Reclamation, Mining and Safety received your request to extend the due date for the problems that were cited in the inspection report dated January 17, 2020 for Boundary Markers, Weed Control, and Reclamation Success at the Two Rivers site, Permit File No. M-1998-038 from March 9 to April 30, 2020. **The Division hereby approves the extension request to April 30, 2020. Note the Division agrees to extend the due date for Weed Control to August 31, 2020.** The Division recommends mechanical removal of the Tamarisks and Russian Olive trees during reclamation activities this will eliminate some of the need for chemical treatment.

If you need additional information or have any questions, please contact me at Division of Reclamation, Mining and Safety, 1313 Sherman Street, Room 215, Denver, CO 80203, by telephone at 303-866-3567 x8114, or by email at [patrick.lennberg@state.co.us](mailto:patrick.lennberg@state.co.us).
