Corrective Action Due Date Extension Approval**

Dear Mr. Beach,

On March 10, 2020 the Division received from Azurite, Inc. an emailed request for a 30-day extension to the due date for the Division's corrective action resulting from our Tallahassee Pit inspection report mailed on January 14, 2020. The Division hereby approves your request for an extension to April 15, 2020. The corrective action and extended due date is summarized below:

**INSPECTION TOPIC:** Signs & Markers

**PROBLEM/POSSIBLE VIOLATION:** Problem: The in place boundary markers do not coincide with those of the proposed permit boundary in the approved permit.

**CORRECTIVE ACTIONS:** Submit a technical revision (along with the required \$216 fee) with a map clarifying the permit boundary not to exceed 9.9 acres, including the access road.

**CORRECTIVE ACTION DUE DATE:** 4/15/20

If you have any questions, please contact me at (303) 866-3567, ext 8169.
