RE: Climax Mine, Permit No. M-1977-493, Technical Revision (TR-31) Approval

Mrs. Kelts:

The Division of Reclamation, Mining and Safety (Division) has approved the Technical Revision request (TR-31), which was received by the Division on February 20, 2020, and addresses the following:

Construction of a tower riser to connect to the Stage 2 Tunnel, via raise bore, to the Mayflower Flood Bypass Tunnel.

The terms of TR-31 approved by the Division are hereby incorporated into Permit No. M-1977-493. All other conditions and requirements of the permit remain in full force and effect.

If you require additional information, or have questions or concerns, please contact me.

Sincerely,

Dustin Czapla
Environmental Protection Specialist
Division of Reclamation, Mining and Safety
