March 16, 2020

**Notice of Continuance**  
**Mined Land Reclamation Board Hearing March 25-26, 2020**

To all Parties and Interested Persons,

Due to the impacts of the COVID-19 virus on availability of State facilities and Division resources, notice is hereby given that all matters originally noticed for the March 25~26<sup>th</sup> 2020 Mined Land Reclamation Board hearing have been continued to April 22-23, 2020. We anticipate that we will be able to convene again in person by April 22, however, the Division and Board will reassess its ability to convene prior to the April hearing date to determine if further continuance is necessary. Unless directed otherwise, the Board will still hold a March hearing via conference call and/or zoom, as required by Statute, on March 25. The only items on the agenda for the March 25 hearing would be general business, Department/Division updates, and consent agenda items, if any.

The continuance is in support of Governor Jared Polis's direction and the Colorado Department of Public Health Safety and Environment recommendations to limit meetings as part of the social distancing objectives set out by the State of Colorado to help control the spread of COVID-19.

The Mined Land Board and the Division of Reclamation, Mining and Safety appreciate your patience during this time. If further changes to the MLRB schedule are necessary you will be contacted.

If you have any questions please call or e-mail me for additional information or guidance.

Sincerely,

Russ Means  
Minerals Program Director  
Division of Reclamation Mining and Safety

Cc: Virginia Brannon, DRMS Director  
Charles Kooyman, MLRB AGO  
Jeff Fugate, DRMS AGO  
Scott Schultz, DRMS AGO
