Re: Notice of Continued Formal Board Hearing for Amendment No. 4 (AM-04) Application for the Pikeview Quarry, File No. M-1977-211

Dear Party and/or Interested Person:

Please see the attached "Notice of Continuance Mined Land Reclamation Board Hearing March 25-26, 2020" dated March 16, 2020.

As previous notices have conveyed, the Division has received written objections to the subject amendment application. Therefore, pursuant to Rule 1.4.9(2)(a) and 1.7.4(2), the Division has scheduled the application for a Formal Board Hearing for consideration. The hearing has been continued to the April 22 and 23, 2020 Board meeting, which will occur at 1313 Sherman Street, Room 318, Denver, Colorado, beginning at 9:00 a.m. or as soon thereafter as the matter can be considered. During the hearing the Board will consider the application with objections and may decide to approve, approve with conditions, or deny the application for the Pikeview Quarry Amendment.

Pursuant to Rule 1.4.9, on March 6, 2020 the Division issued its recommendation to the Board for approval of the amendment application. A copy of the Division's recommendation was forwarded to all parties and interested persons.

Pursuant to Rule 2.7, the Division held a Pre-hearing Conference on Thursday March 12, 2020 at 10:00 to describe the Division's review process, to explain the rights and responsibilities of parties, to discuss and resolve issues to the extent possible, to describe the Board Hearing processes, to propose a list of issues under the Board's jurisdiction, to simplify that list, and to identify parties. The Pre-hearing Conference was held at 1313 Sherman Street, Room 215, Denver, Colorado.

If you have any questions, you may contact me at the Division of Reclamation, Mining and Safety at 1313 Sherman Street, Room 215, Denver, CO 80203, by telephone at 303-866-3567, ext. 8169, or by email at tim.cazier@state.co.us.

Notice of Continuance
Mined Land Reclamation Board Hearing March 25-26, 2020

To all Parties and Interested Persons,

Due to the impacts of the COVID-19 virus on availability of State facilities and Division resources, notice is hereby given that all matters originally noticed for the March 25~26th 2020 Mined Land Reclamation Board hearing have been continued to April 22-23, 2020. We anticipate that we will be able to convene again in person by April 22, however, the Division and Board will reassess its ability to convene prior to the April hearing date to determining if further continuance is necessary. Unless directed otherwise, the Board will still hold a March hearing via conference call and/or zoom, as required by Statute, on March 25. The only items on the agenda for the March 25 hearing would be general business, Department/Division updates, and consent agenda items, if any.

The continuance is in support of Governor Jared Polis's direction and the Colorado Department of Public Health Safety and Environment recommendations to limit meetings as part of the social distancing objectives set out by the State of Colorado to help control the spread of COVID-19.

The Mined Land Board and the Division of Reclamation, Mining and Safety appreciate your patience during this time. If further changes to the MLRB schedule are necessary you will be contacted.

If you have any questions please call or e-mail me for additional information or guidance.

Sincerely,

Russ Means
