Mr. Cunningham,

Re: Rocky Ford East Pit Permit # M-1977-560.

Valco Inc.'s contractor has completed approximately 80% of its \$662,073 contract to backfill the lakes under the permit. The contract will be complete by the end of April 2020.

We ask that we be given a 30 day extension to complete the project.

Please call with any questions.
