RE: Chambers Gravel Pit, Permit No. M-1979-075, Surety Release Request (SL-2)

Dear Mr. Burkey,

On March 4, 2020, the Division of Reclamation, Mining, and Safety (Division) received your Surety Release Request for the Chambers Gravel Pit, M-1979-075. The notice of completion of reclamation meets the requirements of Rule 4.17.1.

Per Rule 4.17.2(2) the Division shall within sixty (60) days of said notice, or as soon thereafter as weather conditions permit, inspect the lands and reclamation to determine if the operator has complied with all applicable requirements. This letter is to inform Oldcastle SW Group, Inc. dba United Companies of Mesa County that current circumstances and ground conditions (plant dormancy), prevent a reasonable inspection of the site. Therefore an inspection will be scheduled as soon as practical.
