Hi Amy-

I apologize for any miscommunication. Ralph Lewis is no longer with us. We were unaware of the deadline for the corrective action. At any rate, the recycled asphalt has been hauled out of the Fondis Pit. This was completed on February 26th. Please find attached photos from the Fondis Pit showing the material is removed.

Jason Kohring has taken over for Ralph Lewis. As our annual reports come due, we will update the contact information for each of our sites.

We are looking forward to working with you. Congratulations on your new post. If you have any questions, please let us know.
