Operations continued at Hindmarsh Sandstone quarry during this past year. A new disturbance was conducted in Nov of 2019 in the **SW corner** of the quarry with an area of about .5 acres. The shot was approximately 130 x 100. No new disturbances are planned this year.

Rip Rap sorting continues in the North quarry, as well as stockpiling and dispensing in same 'Stockpiling and Dispensing' area.

No reclamation has been performed during the past year. A general clean up of the quarry is continually performed. No official reclamation is expected for the up-coming year.

The annual fee payment for the **Yr-2020** of \$791.00 is enclosed.

RESPECTFULLY SUBMITTED,

William K. Goode, Manager
