**Re: Bronco Plains Wind Farm - File No. M-2019-044;  
Technical Revision (TR-01) Approval**

Dear Mr. Stocker:

On April 8, 2020 the Division of Reclamation, Mining and Safety approved the Technical Revision application submitted to the Division on March 17, 2020, addressing the following:

*Request to revise the seed mix*

The terms of the Technical Revision No. 1 approved by the Division are hereby incorporated into Permit No. M-2019-044. All other conditions and requirements of Permit No. M-2019-044 remain in full force and effect.

The Division has reviewed the change associated with TR-01 for impacts to the financial warranty and has determined that this change does not require an increase to the current reclamation liability.

If you have any questions or need further information, please contact me at (303)866-3567 x8169.

Sincerely,

Timothy A. Cazier, P.E.  
Environmental Protection Specialist
