Dear Mr. Cazier,

As a Colorado outdoorsman and Fremont County land owner, I am strongly opposed to the proposed mining permit submitted by Zephyr Minerals in the Grape Creek drainage (#2020002).

Given the delicate nature of the environment, its value as a recreational destination for camping, fishing, and hiking, and other activities, and its role as critical habitat, I urge you to act in the best interest of all Coloradans—and not a singular commercial interest—and deny the permit.

Preserve Colorado. Serve its people. DENY THE PERMIT!

Sincerely,
Jeffery Martin
