Re: Tallahassee Pit, Permit No. M-1999-003, Technical Revision Approval, Revision No. TR-1

Dear Mr. Stafford:

On April 29, 2020 the Division of Reclamation, Mining and Safety approved the Technical Revision application submitted to the Division on April 24, 2020, addressing the following:

Revised Legal Description and Mine Plan Map depicting boundary lines and coordinates.

The terms of the Technical Revision No. 1 approved by the Division are hereby incorporated into Permit No. M-1999-003. All other conditions and requirements of Permit No. M-1999-003 remain in full force and effect.

The Division has reviewed the change associated with TR-1 for impacts to the financial warranty and has determined that this change does not require an increase to the current reclamation liability.

If you have any questions, please contact me.

Sincerely,

Timothy A. Cazier
Environmental Protection Specialist
