RE: Request for Full Release of Permit Area for VanValkenburg Quarry, File No. M-2016-033 in Jackson County, Colorado

Dear Mr. Hays:

We represent VanValkenburg Cattle Company, LLC relative to the VanValkenburg Quarry, Permit No. M-2016-033 located in the N/2 of Section 11, Township 5 North, Range 81 West, 6th P.M. in Jackson County, Colorado. Pursuant to Rule 4.17, our client seeks a full release of the entire permitted area and subsequent release of financial assurance.

No mining operations have occurred on the site since its approval in 2016. The most recent site inspection on September 29, 2017 stated that the site was "inactive" and "did not appear to have been disturbed by mining activity since the site was permitted in 2016." We have confirmed this with our client. As a result, all applicable portions of the Reclamation Plan requirements have been satisfied in accordance with these Rules and all applicable requirements under the Act. Below is the additional information required to process a full release:
