Re: Pikeview Quarry Amendment M-1977-211 AM-04

Tim:

Thank you for taking time with us on Friday. Our meeting resulted in the following items being resolved:

- DRMS Board Date will be March 25, 2020
- All relevant information shall be provided to DRMS by February 26, 2020 to allow ample time for review and bond calculation.
- Prehearing Conference the week of March 9, 2020.
- Stantec will provide stability information in a format that can be used by DRMS with their existing software. DRMS will conduct an internal review and not a third party review.
- ASTM earthworks commentary will be added to the amendment as reviewed.
- Revegetation commentary will be added to the amendment as reviewed.
- Commentary as to the French Drains and as filled Area H.
- As built drawings and reports will be provided monthly during construction and finals at the end of construction.

Sincerely,

Castle Aggregates
