Thank you for the call.

1. Colorado Sand Company LLC would like to formally request a 30 Day Extension to the Decision Date by way of this email.
2. There are still four Structure Agreements remaining. We anticipate having three of the four in hand within the next 1-2 weeks. We do not expect to receive an executed Structure Agreement from Mr. Vince Gerkin (land owner to the south). That said, Mr. Gerkin's structure is a typical ranch fence.
3. The small amount of earth being moved in the aerial photos you provided is in no way related to Colorado Sand Company activities. I have not checked with Mr. Gutttersen (the land owner), but I suspect that he may use that pile of material to maintain roads, etc. on his ranch. He does own an earthmoving / earthwork construction company and does do road construction on both his ranch and for others.

Please let us know if there is anything else.

Thank you!

Tim
