

TABLE OF CONTENTS

APPENDICES

TOPIC	TAB
Right of Entry Information	1
(1) State of Colorado Lease CO-3388	
(2) Bureau of Land Management Lease COC0-62920	
(3) Landowner Surface Use Agreements, TR-26 Monitoring Wells	
Licenses and Permits	2
(1) Zoning Compliance (La Plata County)	
(2) Air Emission Permit (Co. Dept. of Health)	
(3) Wastewater Discharge Permit (Co. Dept. of Health)	
(4) Landowner Letters	
(5) Monitoring Well Permits	
(6) Water Augmentation Plan	
(7) U.S. Army Corps of Engineers: Section 404-No Permit Required Determination	
Cultural and Historic Resource Survey	3
(1) SHPO Concurrence letter	
(2) Cultural Resource Inventory, Hay Gulch Area, Complete Archaeological Service Associates. August 2005	
(3) Cultural Resource Survey, TR-22 Drill Sites, SWCA February 19, 2014	
(4) Cultural Resource Survey, TR-26 Drill Sites, Stratified Environmental and Archaeological Services (SEAS), October, 2016	
(5) Cultural Resource Survey, MR-49 Drill Site, SEAS July 11, 2019	
(6) SHPO Concurrence Letters, King III Portals & Access Roads TR-29	
Geological and Hydrologic Data	4
(1) Excerpts from NEDO Project Geological Report, Corte, Jan. 1999	
(2) Hydrologic Water Data: Groundwater Wells and Irrigation Ditch	
(3) Roof & Floor Chemical Analysis	
(4) TR-22 Drill Sites: Location & Topography, Drill Hole Abandonment Drawing, Typical Drill Site Drawing	
(5) Water Well Completion Data – Colorado Division of Water Resources	
(6) GCC Energy King II Coal Mine Hydro Study, Norwest Corporation, February 11, 2014	
(7) Cumulative Hydrologic Impact Assessment for Hay Gulch, La Plata County, Colorado, Tom Kaldenbach, Colorado Division of Minerals and Geology, Revised October, 2006	
(8) King I Mine - Refuse Pile Sampling Plan, MR-41, September 14, 2016	
(9) Bedrock Cluster Monitor Well Specifications, Resource Hydrologic Services, 10/15/2015 (TR-26)
