Amy,

I am writing in regard to the letter you sent the Big Thompson Conservation District concerning the Loveland Ready Mix Acreage Release Application.

Our district does not have any concerns related to this request, but I wanted to use this opportunity to provide you with updated contact information for us.

I am the current District Manager of the District and my office is located in the USDA building in Fort Collins. The address is 2150 Centre Ave Bldg A, Ste 116 Fort Collins, CO 80526.

Please update the mailing address on file for the Big Thompson Conservation District, as we will be closing the PO Box address you currently have at the end of this month.

thank you,

**Shannon Curley**
