Detailed description of the issue(s) * (?)

Please provide as much detail as possible. It is important to narrow down the issue(s).

Built a entrance road through wetlands raising the road up approximately six feet creating a dam with three culverts thirty six inches in diameter or less. This drains a large area when it stormed. The culverts will plug with cattails and other debris raising the water table. They put in a slurrywall which is raising the water table to .i am worried about flooding my property

Have you contacted the operator or party conducting the operation? If yes, please provide details. *

☒ Yes ☐ No

Details

Have talked with cris zedal of ncc. He does not think their is a problem. I am getting alkali serficeing .

If known, please provide the name of the operator or party conducting the operation.

If known, please provide the Permit or NOI Number (ie M-1970-111 or P-1970-111).

Must be entered in the following format: M1970111 or P1970111 (No dashes allowed)

M2016085

Have you contacted any other agencies or local governments related to this issue or issues? If so, please provide details. *

☐ Yes ☒ No

ADDITIONAL INFORMATION

Are there supporting photos, maps, or documents you wish to upload? *
