Hello Amy,

Unfortunately, I have still not received the Technical Revision Payment check from our Accounts Payable department. At this point, I do not believe that I will have the check in time to mail the Corrective Action Response TR and have it arrive at your office by the adjusted due date of May 15th. Would it be possible for the due date to be extended for another week? I have been informed that the check should be to my office by this Friday. However, I will not be at work on Friday - meaning the packet should be in the mail on Monday, May 18th. Please advise me whether an extension of 1 week is possible.

Thanks for your consideration,
