Brock, due to Covid-19 related delays, Phillips County is requesting a 30 day extension from the May 14th decision date for the Jensen Pit conversion.

Mike is out of the office today so I will confirm the June 3rd inspection date with him tomorrow.

Subject: Jensen Pit due dates and inspection

Good Morning Laura,

Thank you for the updated Exhibit D.

As part of the Conversion process, I am supposed to do an inspection of the mine site. Even though I was just at the site last August, the Rules require it. I was originally planning to go in April but Covid-19 changed that. We just got guidelines on how to conduct inspections safely and we are now allowed to resume inspections.

The decision date for the Conversion is this Thursday, May 14, but I won't be able to make it there by then. The Board Order states that the application must be in an approvable form by June 16. So we have the time. I would like to schedule the inspection for June 3 (I need to wait till June for childcare reasons).

Can you request a 30 day extension for the decision date? The request can be made by email.

If you have any questions, please let me know,

Brock
