**Re: Penrose Pit, Acreage Reduction Approval, Permit No. M-1987-131, Revision No. AR-1**

Dear Mr. Ary:

On May 14, 2020, the Colorado Division of Reclamation, Mining and Safety approved your request for release of a portion of the permit area from further reclamation responsibility.

The permit area was reduced to 791.0 acres and the maximum allowed disturbed reduced to 120 acres, through the release of 30.0 acres in this permit action. Because the permit is not totally released, you are still liable for filing annual reports and fees.

If you have any questions, please contact me.

Sincerely,

Timothy A. Cazier, P.E.  
Environmental Protection Specialist
