RE: M-1983-216  
Lumsden Canyon Pit

Enclosed is the Annual Fee and Report Request along with a Mesa County Warrant in the amount of \$323.00.

Some removal of material from a large stock pile has taken place. However, there has been no disturbance or reclamation on the permitted area during last year's mining season.

Anticipated activity for this year is to remove the remaining material from the existing stockpile and start the reclamation and closing process.

If you have any questions, please do not hesitate to contact myself at 970-244-1895 or [rudy.bevan@mesacounty.us](mailto:rudy.bevan@mesacounty.us).

Sincerely,

Rudy Bevan  
Road and Bridge Supervisor
