Re: Larimer Pit, Permit No. M-1974-069, Acreage Reduction Approval, Revision No. AR-3

Mr. Fancher:

On May 15, 2020, the Division of Reclamation, Mining and Safety (Division) approved your request for release of a portion of the permit area from further reclamation responsibility.

The permit area was reduced to 222.76 acres through the release of 1.49 acres in this permit action. Because the permit is not totally released, you are still liable for filing annual reports and fees.

If you have any questions, you may contact me by telephone at (303) 866-3567, ext. 8129, or by email at amy.eschberger@state.co.us.

Sincerely,

Amy Eschberger
Environmental Protection Specialist
