RE: Weimer #2, Permit # M-1996-031, Succession of Operators Financial Warranty Request

Mr. Weimer:

The Division of Reclamation, Mining and Safety (Division) has reviewed the reclamation costs for this site and updated the required financial warranty based on the remaining reclamation tasks and current conditions at the site. The reclamation cost estimate is included with this letter. Staff calculations estimate the cost to reclaim the site to be \$3,883.00. This estimate is based on conditions observed during the August 15, 2019 inspection. As the prospective successor permittee/operator you must submit the required financial warranty before the Division can process your Application for Permit Transfer. Financial warranty forms can be found at our website. For questions regarding submittal of the financial warranty please contact Gabriel Benvenuti at 303-866-3567, ext. 8148.

If you require additional information, or have questions or concerns, please contact me.

Sincerely,
