***RE: Maple Leaf Mine, Prospecting NOI # P-2016-001, Modification Application (MD-01)
Financial Warranty Request***

Mr. Cooke:

The Division of Reclamation, Mining and Safety (Division) has received your correspondence dated May 6, 2020, in which you have committed to limit the drilling disturbance to two holes approximately 300 feet deep. Based on this modification to your plan, the Division has revised the reclamation cost estimate for your modification application (MD-01). The amount of financial warranty set by the Division for this operation is \$8,680.00. This is an increase of \$6,680.00 over the \$2,000.00 currently held for this operation. A reclamation cost estimate is enclosed. **A financial warranty of the entire amount of \$8,680.00 must be submitted to the Division prior to commencing the prospecting proposed through MD-01.** Please note, the Division may terminate the MD-01 application if the Financial Warranty is not received within sixty days.

Please make arrangements with our office, phone no. 303.866.3567 for submittal of the financial warranty.

If you require additional information, or have questions or concerns, please contact me.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Dustin Czapla'.
