Ref: Request for Extension; Skull Creek, File No. M-2019-0554

Uinta Mining, LLC (UMC) respectfully requests an extension of time for review of the permit application. Due to objections that are still in review, UMC would appreciate an extension Until August 1, 2020 which would allow final reviews, revisions, and changes to take place.

UMC would request the extension to extend to August 1, 2020.
